idle talk 1
In the Kouga village, the tour lady showed me around, and after she gave me the tour, I told her I came for research, so she showed me a book called "Kouga Zourou" and told me a lot about the Kouga ninja.
In ninja manga or ninja movies, Kouga is always the bad guy!
shock
Even though there's such a great story as "Kouga Zourou," not many people know about it. .
I'm sorry, um um. Since the protagonists are Iga ninja, so there's no choice but to make the Kouga ninja the bad guys. .sorry!
GOO!
GOO!
GOO!
THAT WOULD BE BEST . . .
B-BUT, THERE ARE THE KIDS HERE, SO SHE'S SURE TO COME BACK!
FILLS
